OL/NBPO Weekly Report - Period Ending 21 August 1984

I. Progress Reports on Tasks Assigned by the DCI/DDCI:

Nothing.

II. Items or Events of Major Interest That Have Occurred During the Preceding Week:

New Building Project

- a. On 15-16 August, General Services Administration and New Building Project Office, Office of Logistics (NBPO/OL), conducted a final on board review in Detroit of Bid Package #2 for the New Headquarters Building. The construction bid documents are scheduled to be received from the Architect-Engineer in mid-September. Proposals for reproduction of these documents are being reviewed by Procurement Division, Office of Logistics, and NBPO/OL.
- b. General Services Administration and the New Building Project Office, Office of Logistics conducted a factory inspection on 21 August of the precast concrete being produced by the High Concrete Structures for the new Parking Deck in West Lot. High Concrete is a sub-contractor to Geroge Hyman Construction Company and is located in Denver, Pennsylvania.

III. Significant Events Anticipated During the Coming Week:

New Building Project Office, Office of Logistics, will brief the Executive Committee on block planning proposals for the New Headquarters Building on 23 August 1984.

STAT

Deputy Chief, New Building Project Office, OL
